1. "Applicants" or "Applicant" is the person or business identified above and "UFC" is United Farmers Cooperative.
2. Applicant shall pay the entire balance showing on account statements or invoices by the respective Payment Due Date and UFC may refuse to extend credit to Applicant if a balance remains unpaid beyond that date.
3. A finance charge of 1.5% per month, which is an annual percentage rate of 18% per year, will be applied to any account balance from purchases made during a calendar month, but not paid before the end of the following month plus any previous balance, that remained unpaid. The minimum finance charge is \$.50 per month. Interest may be compounded at our discretion. If the account, respectively, is not paid in full by the end of the second month following the month of purchase, the account may be classified as delinquent and no further credit shall be extended until the account is paid in full. UFC may refuse to extend additional credit at any time.
4. Payments shall be applied first to the unpaid finance charges, then to the remaining outstanding balance.
5. Applicant shall be liable for the payment of all collection costs, court costs and attorney's fees to pursue payment of amounts owed by Applicant in the event that payment is not received when due.
6. The terms and conditions of this document may be amended in writing by the agreement of all parties. Such amendments shall not affect charges or other debt incurred prior to the amendment.
7. If applying for a joint account, both Applicants shall be bound by the terms of this agreement and each Applicant shall be jointly and severally liable for payment of all purchases or charges made under this agreement.
8. Applicant shall have the right to limit or terminate your charge account, but termination shall not affect Applicant's obligation to pay any existing balance. UFC may, at its sole discretion, declare the entire balance on Applicant's account due and payable at any time.
9. This agreement shall be construed as having been delivered in the State of Minnesota and shall be construed in accordance with the laws of the State of Minnesota. All parties hereto expressly agree that venue shall be in the State of Minnesota, County of Sibley only, and the undersigned hereby consents to the jurisdiction of the Courts of the State of Minnesota, County of Sibley, and the U.S. District Court for the District of Minnesota.
10. This agreement may be executed in counterparts, including counterparts provided by facsimile or email attachment or executed by or electronic or digital signature, each of which shall be deemed an original but together shall constitute but one and the same instrument.
11. UFC's Articles of Incorporation and Bylaws providing for a first lien, set-off and discount of allocated equities and patronage refunds applied to amounts owed to UFC are incorporated by reference in this Agreement.

*NOTICE: See below for important notice information regarding your right to dispute billing errors.

REGULATION Z DISCLOSURES

Required by Federal Law. This disclosure is included as terms of the Credit Agreement.

When finance charge accrual starts?	A co-op patron has 30 days from the closing date (or according to invoice terms) to pay the new balance before finance charges will accrue on the account.
Is there a time period during which credit may be repaid without incurring a finance charge?	Yes. Finance charges will be imposed on any new purchases only if they are not paid in full by the end of the month following the closing date.
What is the finance charge rate?	A periodic rate of 1.5% per month is charged on all balances still owing on the 1st day of the second month following the month in which credit was extended. The annual percentage rate is 18% .
Method used to figure the balance on which the finance charge will be computed?	Credits and payments are deducted from the previous past due balance to arrive at the new past due balance on which the finance charge for the following month is computed.
How will the finance charge be determined?	Finance charges are computed on the average outstanding balance for the period.
Are there other charges in addition to the finance charge?	None. Except, however, the Co-op is also permitted to recover its attorneys fees and other costs associated with collecting amounts owed the Co-op as provided more fully below under recover of attorneys fees and collections costs.
Does the co-op take a security interest?	Usually not, but there are cases when the Co-op will request a perfected interest either in the things you are purchasing and/or in other collateral you have an interest in. If additional security is requested, it will secure previous credit extended plus credit extended in the future as well.
Does the Co-op have a first lien on your equity in the Co-op and the right to offset against it?	Yes. Part of the Co-op's earnings are distributed to qualifying patrons in the form of equities, which are eventually revolved according to policies established by the Board of Directors. The co-op's Articles of Incorporation give the Co-op a first lien on any equities you earn from patronizing the Co-op. The Co-op routinely offsets those equities against accounts that it considers uncollectible. The Co-op reserves the right to discount your equities if it exercises its right of offset.
Is there a point where your payment terms will be cash on delivery (COD) if your account is not paid?	Yes. Accounts must be paid in full within 25 days after the closing date, and if the account is not paid, you may be required to pay cash for purchases thereafter. In addition, the Co-op reserves the right to place any account holder on immediate COD anytime the Co-op has reasonable belief that repayment will not be made in accordance with the credit policy, or if the Co-op does not want to extend credit for any reason that is not otherwise unlawful. However, special credit arrangements can be made with the credit manager's approval.
Is there a minimum amount due?	Yes. The Co-op is not in the business of providing financing to its customers. The Co-op provides convenience credit, and the credit policy requires payment of the account in <u>full</u> by the 25 th of the month following the closing date. The Co-op may, but is not obligated to, continue extending credit to those who do not pay their account in accordance with the Co-op's credit policy. Send payments to United Farmers Cooperative PO Box 461 Winthrop, MN 55396.
When is there a default and when can the Co-op accelerate repayment of the entire amount owed? Can the Co-op stop extending credit before the occurrence of a default?	A default occurs upon the failure to pay any amounts owed within 25 days after the closing date. When default occurs, communication will be attempted to set up a payment or payment plan. If payment or plan cannot be agreed upon, then the account will be placed on C.O.D. (cash on delivery) and its credit privileges removed as well as any Co-op Cash Cards locked out. The Co-op reserve the right to revoke credit at any time per the credit manager's discretion.
L.P. Gas Tank Lease Cross Default	Any default in payment of the credit extended by the Co-op will trigger an immediate cross-default in your L.P. Gas tank lease, if any, in existence at the time of the default.
