

NATURAL GAS: WHAT NOT TO DO

DON'T

store or stack boxes, laundry, or other materials around the base of a gas appliance.

DON'T

let kids play on or around or wear long sleeves near the open flame of a gas cooktop.

DON'T

keep towels and potholders or wear long sleeves near the open flame of a gas cooktop.

DON'T

use a gas oven or range to heat a room.

DON'T

disguise transformers or meters with paint or landscaping, as a utility worker needs to find and work around the meters quickly in an emergency.

DON'T

tamper with an electric or gas meter. Not only is it dangerous, it's also illegal.
